

## **Towngate Primary Academy**

The following is a summary of how Towngate Primary Academy has spent the 2016-2017 PE and Sport Grant of £8,970. Our identified areas for development are as follows:

### **Healthy Lifestyles**

Total Expenditure: £1223.64 (2 after school clubs a week, 33 weeks per year)

#### **Action:**

- To embed the good practice we have established we have decided to appoint a part-time sports development coach to work alongside experienced practitioners to develop their own skills and disseminate good practice.
- To further develop the range of extracurricular activities.
- To develop regular inter school competitive opportunities with neighbourhood settings.
- To enhance the existing provision and access to a range of sporting activities, by offering a developing programme of sports activities.

Through appointing a person to this role we will ensure consistency, quality and skills progression, and raise the profile of team and competitive sports.

### **Physical Education**

Total expenditure: £3300 (2 afternoons of dance specialist teaching)

#### **Action:**

- To further develop a wider range of physical activities to meet the requirements of the national curriculum by employing a specialist teacher of dance for two afternoons a week, to enhance provision and develop the skills of existing staff.
- To work with the class teachers to put on a showcase of dance skills to raise the profile and increase engagement of children in dance.

### **Physical Education**

Total expenditure: £7742.28 (1 afternoon of specialist sports teaching, 1 day of specialist outdoor physical learning teaching)

#### **Action:**

- To develop intra and inter school sports provision and the skills and capabilities of in school teachers, an additional sports specialist teacher will be employed for one afternoon to work with teachers in years 4, 5 and 6 to develop an afternoon of sports provision.
- To develop physical activity in the wider curriculum, an outdoor physical learning specialist will be employed for one day a week in years 2 and 4 to develop our science and geography curriculum, to incorporate elements of physical education and outdoor learning.

**Total spend: £12,265.92**
